NEW MENU ITEMS

Anticipating the ever-changing consumer palate

Black River Produce's seasoned buying team is perpetually in tune with the latest in consumer trends and preferences. We help ensure you have the ingredients and time saving tools needed to keep your menu offerings fresh with the items your customers want, and those they may not-yet-know they want.

From the practical to the whimsical, here are just a few of the items we have added over the last few weeks.

Talk with your Area Manager about ways we can help you bring in and support these new items for you.
