Bayley Hazen Blue

Bayley Hazen Blue on your menu marks a sure sign that your establishment embraces the local food community, all-the-while truly delighting your customers.

Bayley has a fudge-like texture, toasted-nut sweetness, and anise spice character. The paste is dense and creamy, with well-distributed blue veins. The typical peppery characteristics of blue cheese are subdued in favor of the grassy, nutty flavors in the milk.

Pairs well with: Fruity red dessert wine • Toasty Imperial Stout • Dark chocolate • Crumbled over a juicy Black River Meats Artisan burger • Sprinkled on a salad with spinach, walnuts, and dried tart cherries.
