GRASS-FED BEEF HAS A NEW NEIGHBOR IN THE MEAT CASE

GrassPlus™ puts our beef between grass-fed only and conventional, grain-fed beef. This addresses an untapped market with strong demand from your customers.

- Grass-fed, grain and flax finished for superior taste and texture
- Higher Omega 3 profile with additional health benefits
- High levels of Vitamin E prolongs shelf life and color of meat
- Sustainably + environmentally raised

5 GENERATIONS

A Vermont family farm for more than a century.

5 Generation cheeses are handmade in small batches right on the farm in our state-of-the-art creamery in West Glover, Vermont. All 5 Generation cheeses are made only with milk from our own cows just next door - you can't get any fresher or more wholesome.

5 Generations commitment to quality creates cheese with flavor that shines. The bright, buttery aroma speaks to the authenticity of our process and products.
